GENTEK[®]
GENTEK BUILDING PRODUCTS

THE GENTEK SIDING COLLECTION

With its classic beauty, superb durability, carefree upkeep and excellent value, the Gentek Siding Collection makes it easy to create an exceptional finish for your home. This extensive collection features composite cladding; vinyl, aluminum and steel siding; specialty panels; and trim accessories – everything you need to give your home a style all its own.

BEAUTIFULLY STRONG AND PROTECTIVE

Featuring best-in-class materials and cutting-edge technology, Gentek siding is performance-engineered to shield your home from harsh outdoor elements, including pounding rain, high winds, intense heat and frigid cold. And thanks to fade-defying colour formulations, our darker sidings provide superior colour retention and resistance to weathering – ensuring your home's beautiful finish will stand the test of time.

DESIGN INSPIRATION

Instantly create a variety of exterior designs with options for siding, trim, roofing, front door paint, exterior window colours and more with the Gentek Visualizer web-based design tool.

- Upload a photo of your home or simply enter the address and Google Street View will upload the photo for you. Use the design tools to apply Gentek products to your photo.
- Save and print your preferred designs, products and colours for comparison.
- Follow our mydesignhomestudio.com blog for renovation ideas and free design advice.

COLOUR MATCHING MADE SIMPLE

No need to settle for siding and trim that “almost match.” Our Colour Clear Through® collection of customer-preferred colours ensures that all Gentek products – siding, soffit, fascia, trim and rainware – will beautifully match throughout our composite cladding and siding product lines.

ADDED VALUE FOR YOUR HOME

For most people, a home is a source of pleasure and pride, as well as a valuable investment. Gentek siding not only will create an attractive exterior, it will heighten your home's curb appeal as well. And in today's resale market, a beautiful, low-maintenance finish can enhance the value of your home.

THE BEAUTY OF REAL WOOD, BUT WITHOUT THE UPKEEP!

This innovative cladding has it all: high-end style, superior performance, enduring protection and excellent value.

House shown in Majestic Brick and Hudson Slate.

DESIGN-INSPIRED COLOURS

20 fade-resistant colours brimming with personality.

REALISTIC CEDAR MILL TEXTURE

You'll have to touch it to tell the difference.

POWERFULLY PROTECTIVE

Resists high winds, moisture, termites, impact damage and more.

LIFETIME LIMITED WARRANTY

For added peace of mind; see warranty for details.

ALIGN COMPOSITE CLADDING HAS ARRIVED – AND THERE'S NOTHING ELSE LIKE IT

It's the Details that Make It Beautiful Admire it close up or from the curb. The deeper grain embossing, ample 7" plank exposure and bold, crisp shadow lines achieve a remarkably realistic appearance of natural wood.

It's the Science that Makes It Different Here you will find something never seen before but destined to change the future of exterior cladding. Our patented (GP)² Technology[®] optimizes the performance and durability to ensure superb aesthetics with exceptional quality and value.

Your Home, Your Style – Exactly As You Want It Nothing does more to impact a home's exterior design than colour. From bold Majestic Brick to refreshing Coastal Blue, Gentek has everything you need to create a virtually maintenance-free exterior that's a true reflection of you.

INTELLIGENT SIDING SOLUTIONS

A fusion of beauty and strength, Sequoia Select EnFusion helps prevent energy loss to keep your home warm and cozy in the winter and refreshingly cool in the summer – with less energy spending. The laminated, rigid foam insulation is contoured to fill the gap between the siding and your home to provide superior energy efficiency. This protective layer also conceals imperfections in the underlayment to ensure smooth wall lines and an upscale appearance.

House shown in Canyon Clay.

Classic Colours

Snow White	Canyon Clay	Dover Gray
Almond	Pebble	Storm
Wicker	Sage	Chesapeake Gray

Designer Colours

Dark Drift	Rockwell Blue	Hudson Slate
Meadow Fern	Midnight Surf	Windswept Smoke
Moonlit Moss		

Not all colours are available in all markets. See your Gentek sales representative for details.

A NEW STANDARD IN QUALITY AND ENERGY SAVINGS

Energy-Smart Design Custom-contoured insulation (up to 1-1/4" thick*) helps block energy loss year-round.

Greater Impact Resistance Up to 400% more impact resistance than conventional "hollow back" siding.

Superior Perm Rating of 5 Allows insulation to breathe.

Full-Roll Nail Hem Heavy-duty, double-thick wall attachment increases strength and structural integrity.

Built Hurricane-Tough! Laboratory tested to withstand winds up to Category 5 Hurricane rating.

Beautiful Wood-Like Appearance Natural cedargrain texture and low-gloss finish for subtle elegance.

Longer Panels The extra-long 16'8" and 16'4" panel lengths create fewer overlaps for a superior finished look.

Double 5" Clapboard

Double 5" Dutch Lap

THE ULTRA-PREMIER DISTINCTION

Extra-Heavy Wall Thickness Heavy-duty .046" thickness provides superior rigidity, ensuring straight, smooth walls.

Full-Roll Nailing Hem Delivers double-strength wall attachment.

Exclusive Advantage Lock System Securely connects panels, greatly enhancing rigidity and stability.

Hurricane-Velocity Wind Resistance Built hurricane-tough! In laboratory tests simulating hurricane-force wind conditions, Sequoia Select withstood windloads up to 407 km/h (253 mph).*

Rich Cedargrain Emboss Beautiful low-gloss finish achieves natural appeal and excellent durability; requires minimal upkeep.

Superior Lap Height Full 3/4" lap height creates a deeper dimension and enhanced shadow lines for a true wood look.

*Windload performance may vary by profile design.

HIGH-PERFORMANCE INNOVATIONS

With exquisite colours and an authentic hardwood texture, Fair Oaks captures the timeless appeal of freshly painted wood. But take a closer look and you'll see substantial structural upgrades that help Fair Oaks achieve style and strength beyond ordinary vinyl siding.

- Rolled nail hem provides extra-strong wall attachment.
- Anchor-Tite locking system secures panels together for straight wall lines.
- Rugged .044" panel thickness delivers enduring beauty.
- Extra-deep 5/8" butt height enhances structural integrity and creates deeper shadow lines for added dimension.

SUPERIOR BEAUTY, DURABILITY AND PROTECTION

Distinguished for its superb durability and versatile design possibilities, metal is on the rise as a prime exterior cladding. Premium raw materials and cutting-edge technology merge with skilled craftsmanship and artistry to achieve the outstanding quality of our Sierra Steel siding. Each panel is virtually "weather-sealed" with a resilient Kynar PVDF coating, a high-performance fluoropolymer resin with a luxurious low-gloss finish.

THE UNMATCHED STRENGTH OF STEEL

Impact Resistant Constructed of roll-formed 29 gauge Galvalume® AZ-50 steel for maximum resistance to hail damage and denting.

Built Weather-Tough Virtually impervious to outdoor elements; unlike wood or fiber cement, it won't absorb moisture. Sierra Steel also resists fading, cracking, peeling, chalking, scratches and abrasion.

Upscale Appearance Achieves a beautifully uniform appearance with smooth walls, bold edges and dramatic shadow lines.

Carefree Upkeep Kynar PVDF resists dirt buildup, staining and mildew; simply rinse with a garden hose to restore the like-new beauty.

Easy Installation Simple to install. Unlike fiber cement, steel siding installation does not recommend a dust respirator or involve hazards from silica dust.

Insect Resistant Resists damage from wood-eating insects, such as termites.

Eco-Friendly Steel siding is 100% recyclable!

House shown in Bright White.

House shown in Bright White.

CLASSIC BEAUTY AND APPEAL

In Deluxe aluminum siding you have found a protective home exterior that recreates the timeless beauty of freshly painted wood but without the upkeep. Featuring a tough aluminum core and resilient Poly finish, Deluxe never needs to be painted. Just a simple rinse with a garden hose will remove most airborne dust and dirt.

Expertly crafted with attention to detail, the classic profile designs and smooth texture will impart casual elegance to any architectural style.

HIGH-PERFORMANCE STEEL SIDING WITH VARIEGATED WOOD BEAUTY

Distinction steel siding beautifully merges the protective strength of steel with the natural beauty of wood for a superior home exterior.

- Heavy-duty 26 gauge steel construction.
- Premium paint system over G90 galvanized steel or Galvalume® provides long-term durability and rust prevention.
- Resilient, UV-resistant paint prevents discolouration and cracking.
- Installs vertically or horizontally; panels lock together on four sides.
- Choose from a variety of colours in the Wood Series, Nuanced Wood Series or Granite Series.
