

SLIDER WINDOWS

Available in 2- and 3-lite styles, 80 Series slider windows feature a generous glass area that offers a great outdoor view. Distinctive for their smooth horizontal gliding action, slider windows also feature sashes that lift out for easy cleaning.

- Fusion-welded masterframe and sashes eliminate potential leak points at sill corners for improved energy efficiency and easy water drainage.
- Multi-walled extrusions provide superb welding strength and structural integrity.
- Integral pull handle for easy and convenient opening and closing of the window.
- Integral full-length interlock with double-pile weatherstripping increases strength and thermal performance.
- Specially designed brass tandem roller system ensures smooth operation.
- Cam lock and keeper for a tight seal and increased energy efficiency.

Slider windows combine casual elegance with a strong, weathertight construction.
