

SINGLE HUNG WINDOWS

Whatever your home's architectural style, 70 Series single hung windows will convey impeccable quality and taste. Built for everyday wear and tear, our single hung windows feature a heavy-duty construction that will stand the test of time.

- Full 45-degree fusion-welded masterframe and sashes deliver increased strength and energy efficiency.
- Multi-chambered extrusions improve thermal performance and structural integrity.
- 1" integral pre-punched nail flange for enhanced installation and a weathertight fit.
- 3/4" thick (nominal) insulated glass unit with warm-edge technology offers increased energy efficiency and noise reduction.
- Side load sash operates on two concealed, pre-calibrated sash balances.
- Integral lift handle for easy raising and lowering of the sash.
- Sweep-style cam lock and keeper provides a tight seal and increased energy efficiency.
- Sash perimeters are fully weatherstripped for improved thermal protection.

Single hung windows offer the best of both worlds – classic beauty and modern practicality.
