

Boasting a generous glass area, slider windows let you enjoy an unobstructed outdoor view.

## SLIDER WINDOWS

Smooth sliding action and full-view glass exposure make 70 Series slider windows a longtime favourite. Slider windows corner the market on easy operation, with a sash that glides horizontally to open and close. The moving sash also lifts out for convenient cleaning from inside your home.<sup>3</sup>

- Full 45-degree fusion-welded masterframe and sashes deliver increased strength and energy efficiency.
- 1" integral pre-punched nail flange for enhanced installation and a weathertight fit.
- 3/4" thick (nominal) insulated glass unit with warm-edge technology offers increased energy efficiency and noise reduction.
- Integral pull handle for ease of operation when opening and closing the window.
- Double-pile weatherstripping at the locking rail increases thermal performance.
- Adjustable tandem brass rollers in a non-corrosive housing ensures smooth operation.
- Sweep-style cam lock and keeper provides a tight seal and increased energy efficiency.
