

## CASEMENT WINDOWS

80 Series casement windows feature an easy-touch crank handle for a gentle outward opening of the sash. Combine casement windows with fixed lites for an expanded window design that offers ample ventilation.

- An easy-to-operate, heavy-duty positive crank mechanism ensures smooth opening and closing of the sash.
- Stainless steel hardware delivers years of trouble-free hinge operation.
- Multi-walled extrusions provide superb strength, durability and structural integrity.
- An energy-efficient design with double compression bulb seal helps protect against air and water infiltration.
- Multiple lite configurations are available in a single mainframe.

Our beautifully crafted casement windows will elevate the style of your home, inside and out.
