DESIGN AND DECIDE

Whether you want to just refresh or press the reset button – one of the most difficult aspects of home remodeling is choosing colours. How will the new products and colours look on your home?

The Gentek Visualizer takes the guesswork out of the design process. This easy web-based design tool lets you instantly create a variety of exterior designs with options for siding, trim, roofing, front door paint, exterior window colours and more.

- Design-ready with a gallery of house images; access it from any device and start designing.
- Custom "photo-realistic" option – upload a photo of your home and use the design tools to apply products to the photo (our design team also can professionally prep the photo for you).
- Pre-selected products and colour combinations are offered for design inspiration.
- Save your preferred products, colours and designs – everything is listed and ready to go.

A WORD ABOUT QUALITY

Gentek delivers the confidence and value only a true leader can provide. We proudly stand behind our products with the full faith of our more than 55 years of manufacturing expertise and some of the strongest warranties in the industry. Our voluntary participation in rigorous quality certifications and independent testing is further assurance you have made an excellent selection for your home.

A MORE SUSTAINABLE CHOICE

The home that protects you can also help protect the environment. As a durable product with a long service life, vinyl siding such as those manufactured by Gentek have been shown in a cradle-to-grave Life Cycle Assessment study commissioned by the Vinyl Siding Institute to have a smaller environmental footprint relative to competing materials.¹ In addition, the impact of vinyl siding on global warming potential is 40% less than fiber cement and 83% less than brick and mortar.² And because it never needs to be painted, vinyl siding also helps prevent paint, stain and other maintenance-related products from being released to the environment.

A LIFETIME OF PROTECTION

Driftwood II vinyl siding is backed by a lifetime limited, non-prorated, transferable warranty with hail protection and lifetime fade coverage. For complete warranty information, including limitations, ask your dealer for a copy of the Gentek vinyl siding warranty.*
