Elevate Your Space with Faux Stone Panels

Quality Stone takes pride in being a leader in the paneled stone industry. Our primary focus is creating the most realistic, high quality and installer-friendly stone panels on the market. We are confident you will discover why Quality Stone is the leader in stone alternative providers.

Quality Stone is:

- Quick and easy to install
- Built for interior and exterior applications
- A durable all-climate, no-maintenance product
- Made with energy-saving, high-density polyurethane
- 100% inert, non-toxic, non-gaseous and odour free
- BuiltGreen™
- Quality Stone is the only faux stone that uses Climate Shield, the most advanced colour coatings in the industry. This ensures our products look and perform the same for the 20 Year Warranty period and beyond.
