

QUICK CLICK COLUMN, BEAM & NOW PRIVACY WALLS!

We're thrilled to announce ChamClad's innovative Privacy Wall System—a game-changer in style and versatility! Featuring our new **3" Quick Click Column & Beam**, it provides a seamless end cap when paired with 8', 10', or 12" widths for a polished look.

For even wider designs, use our heavy-duty aluminum **Quick Click clip** to mix and match 3", 8", 10", or 12" panels effortlessly. This smart, customizable solution blends durability with modern elegance, making it the perfect choice to elevate both residential and commercial spaces. Discover the future of design with ChamClad!
